About the Workshop

AICTE's Examination Reform Policy envisages to improve the quality of Technical Education and to examine the effectiveness of existing initiatives and those on anvil.

Exam/Student assessment play a very important role in deciding the quality of education. The Academic quality of examination (question papers) in Indian Engineering Education System has been a concern from a long time. This online workshop is to sensitize the role of teachers in implementation of AICTE Examination Reforms Policy as per the directions from NPIU.

Resource Persons:

1. **Dr. C. M. Javalagi**
